2. The Stockists/Franchisees shall operate out of their own showroom at a premium location with all the required infrastructure for display and sale of Precious metal value added products like Gold and Silver Medallions, Sanchi Silverware, Gold Jewellery and Indian Gold Coin. The following would be the broad contours of the Stockists/Franchisees arrangement:-
  - a) Stockists/Franchisees will be of two types i.e. Exclusive and Non-Exclusive;
  - b) The minimum initial investment for the stockiest for both exclusive and non-exclusive shall be Rs.50 lacs in Delhi/ Noida/Gurugram and in all other cities across India the same shall be Rs. 25 lacs. The Stockist/ Franchisee would purchase the material outright based on RMS rates applicable;

- c) Ideally, each district would have one exclusive/non-exclusive stockiest only. However, in case, it is felt that the stockist's efforts are not commensurate with the market potential, MMTC would be at liberty to appoint additional stockiest/s in that particular district;
- d) The minimum rotation/turnover to be achieved during a financial year(12 months period or pro-rata) for exclusive stockists's shall be Rs.4 crores and non-exclusive stockists to be Rs.2.5 crores in Delhi/Noida/Gurugram. - e) The essential difference between Exclusive and Non-Exclusive Stockists/Franchisees is - Exclusive Stockists/Franchisees would be issued entire bouquet of MMTC Retail Products and get higher margin on sales as against Non-Exclusive Stockists/Franchisees who would normally not be given Jewellery, and IGC and will earn lesser margin on the products respectively.
- f) All products would be sold through MMTC's Retail Management Software at MMTC's declared prices. However, based on the performance of the Stockists/Franchisees on case to case basis, the Non-Exclusive Stores can also be given Plain Gold Jewellery and Indian Gold Coin for sale at their outlet;
- g) MMTC shall share the margins in respect of its products on the sale value of the item excluding taxes.
- h) The Stockists/Franchisees will pay the material value minus the margin/discount payable to the Stockists/Franchisees at the time of sale;
- i) All the Stockists/Franchisees would rotate the stock at least once a year. The review of their performance would be conducted annually and MMTC would be at liberty to withdraw the Stockists/Franchisees arrangement with the party in case of unsatisfactory performance.
- j) MMTC reserves the right to appoint any firm as its Stockist /Franchisee in any particular area as also limit the number of stockiest/franchisee at its own discretion without assigning any reason. MMTC may also change the terms of appointment/operation of stockists/franchisees and the scheme at its discretion at any given point of time.
