10.2 The analyst shall determine the specifications (Chemical and Physical) of the ore for a full rake in three lots by giving analysis of elements, components as per required specifications. First 2 (two) lots shall be of 20 wagons each and the 3rd lot shall be for the balance wagons in the rake. The analyst shall provide an analysis certificate showing detailed analysis reports after completion of the lot indicating the weighted average of three lots.

10.3 Buyer reserves the right for joint sampling/analysis by a third party inspection agency nominated by MMTC/NINL to be undertaken at unloading point i.e. NINL plant and the results of such sampling analysis shall be binding for all purposes.

10.4 Drawing of samples at the time of loading of rakes for carrying out chemical and physical analysis shall be done by the public analyst appointed by the buyer. In case seller's representative does not turn up at the time of drawing of samples, the sample so drawn by the public analyst in the presence of buyer's representative would be final and binding on the seller.

Final sample packets prepared by the analyst by crushing, etc. will be divided into 7 (seven) parts and sealed separately in the presence of the representatives mentioned above.

Out of above, two sample packets will be handed over to the representative of NINL, one to seller's representative and one will be retained by the public analyst to conduct the analysis. In case recourse has to be taken for umpire analysis, the fifth set of sample packets (i.e. the umpire's sample) preserved under the safe custody of the analyst concerned, will be used and the balance two set of sample packets will be handed over to the representative of MMTC.

10.5 Cost of such sampling / analysis by the public analyst will be to the seller's account. In the event of recourse, cost of such analysis will be borne as stated in the umpire analysis clause appearing hereunder.

10.6 Umpire Analysis: Whenever the variance between loading station analysis results and unloading station' analysis result is 0.5 % or more in Fe or any other element, **MMTC** shall have the option to forward the sample packet for **umpire analysis**. Umpire analysis shall be final and binding on both parties (Seller and Buyer). *Umpire analysis cost shall be borne by the party whose analysis is more remote from the Umpire analysis. If the result of the*

analysis is equidistance from the original analysis the charges will be divided equally between the buyer and seller.

CLAUSE 11 : Payment :

Provisional Payment :

11.1 Provisional Payment : The Seller shall raise TAX INVOICE to MMTC Limited (GSTN :21AAACM1433E1ZB), for supplying cargo to Neelachal Ispat Nigam Limited along with copies of RR and Analysis Report. MMTC will settle the bills directly. On receipt of provisional invoice along with supporting documents, MMTC will release provisional payment to the extent of 90% value of the cargo through E-mode on the basis of analysis report (Fe content only issued by third party analyst) appointed by MMTC and weight determined as per CLAUSE 9 & 10 of this NIT. Quantities as per T.P. (Transit Permit) issued by the Department of Steel & Mines, Govt of Odisha shall be final for both buyer and seller for release of payment which is as per Orissa Mining Rules,2007. Further, all payments are subject to the terms of Purchase Order. **The invoice must be raised by the seller after the date of issue of R/R.**

Final Payment :

On receipt of Tax Invoice, Buyer will release the final payment after adjustment of provisional payment to supplier on E-Mode on the basis of weight as per Clause 9 and complete analysis report determined as per CLAUSE 10. For the purpose of E-payment the supplier will be required to furnish its Bank account details in writing to MMTC in the prescribed format. **The Bank charges for RTGS/NEFT** payment will be borne by the Seller holding account in banks other than State Bank of India.

CLAUSE 12 : Inspection :

Inspection of cargo at Buyer's option will be done at mine heads by Buyer's representative. The cost of such inspection will be borne by the bidder. This will, however, not absolve the Seller of its responsibility for supply of the material as per contractual specifications.

CLAUSE :13: Consignee:

The seller shall consign the material in favour of M/s.Neelachal Ispat Nigam Limited, Kalinga Nagar Industrial Complex, Duburi-755026, Dist-Jajpur, Odisha .

CLAUSE 14 : Default in Delivery :

2. The Buyer(s)/Vendor(s)/Bidder(s) will not instigate third persons to commit offences outlined above or be necessary to such offences.

Section 3 – Disqualification from tender process and exclusion from future contracts

If the Buyer(s)/Vendor(s)/Bidder(s), before award of contract, has committed a serious transgression through a violation of Section 2 above or in any other form such as to put his reliability or credibility as buyer/vendor/bidder into question. MMTC is entitled to disqualify the Buyer(s)/Vendor(s)/Bidder(s) from the tender/auction/e-auction/e-sale/sale/purchase process or to terminate the contract, if already signed, for such reason.

- a) If the Buyer(s)/Vendor(s)/Bidder(s) has committed a serious transgression through a violation of Section 2 above or in any other form such as to put his reliability or credibility as buyer/vendor/bidder into question. MMTC is entitled to also exclude the Buyer(s)/Vendor(s)/Bidder(s) from the future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgression, the position of the transgressors within the company, hierarchy of the buyer and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.

- b) If the Buyer(s)/Vender(s)/Bidder(s) can prove that he has restored/recouped the damage cause by him and has installed a suitable corruption prevention system. MMTC may at its sole discretion revoke the exclusion prematurely.
- c) A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

Section 4 – Compensation for Damages

1. If MMTC has disqualified the Buyer(s) from the tender/auction/e-auction/e-sale/sale/purchase process prior to the award according to Section 3, MMTC is entitled to demand and recover the damages equivalent to Earnest Money Deposit/Bid Security.
2. If MMTC has terminated the contract according to Section 3, or if MMTC is entitled to terminate the contract according to Section 3, MMTC shall be entitled to demand and recover from the Vendor liquidated damages equivalent to 5% of the Contract value or the amount equivalent to Performance Bank Guarantee whichever is higher.
3. If the Buyer(s)/Vender(s)/Bidder(s) can prove that the exclusion of the Buyer(s)/Vendor(s)/Bidder(s) from the tender/auction/e-auction/e-sale/sale/purchase process or the termination of the contract after the contract award has caused no damage or less damage than the amount of liquidated damages, the Buyer(s)/Vendor(s)/Bidder(s) may compensate only the damage in the amount proved. If MMTC can prove that the amount of the damage caused by the disqualification of the Buyer(s)/Vendor(s)/Bidder(s) before Contract Award or the termination of the Contract after the Contract Award is higher than the amount of the liquidated damages, it is entitled to claim compensation for the higher amount of the damages.

Section 5 – Previous transgression

1. The Buyer(s)/Vendor(s)/Bidder(s) to declare that no previous transgressions occurred in the last 3 years with any other Company in any country conforming to the anti corruption approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
