Sub: E-payments to Vendors on SBI/HDFC Platform

Dear Sir/Madam,

MMTC is already effecting payments to vendors on E platform through SBI/HDFC Internet Banking. Speed, transparency with least human intervention are the salient features of E payment. The process was initiated in the year 2008-09 and is successfully running with majority of the vendors registering themselves for payments through E mode. However, still some of the vendors want to persist with the cheque mode of payment which involves human intervention and can cause delay. Therefore, we would insist such vendors to register themselves on E mode with MMTC by filling in the enclosed proforma.

The proforma should be certified by the bank with all columns filled up. A blank cancelled cheque is also to be submitted alongwith the proforma.

Yours faithfully,  
For MMTC Ltd.
