Further, other Railways liabilities, if any, related to the despatch of material shall be to the seller's account.

CLAUSE 10 : Sampling and Analysis of cargo :

At the loading point, an approved / recognized public analyst shall be appointed as independent analyst by the buyer who shall draw samples and analyze for the quantity loaded by the seller. The analyst shall determine the specifications (Chemical and Physical) of the Lime Stone for a full rake in three lots by giving analysis of elements, components as per required specifications. First 2 (two) lots shall be of 20 wagons each and the 3rd lot shall be for the balance wagons in the rake. The analyst shall provide an analysis certificate showing detailed analysis reports after completion of the lot indicating the weighted average of three lots.

Apart from above as and when required, joint sampling/analysis by a third party inspection agency nominated by MMTC/NINL would be undertaken at unloading point i.e. NINL plant and the results of the sampling analysis shall be binding for all purposes.

Drawing of samples at the time of loading of rakes for carrying out chemical and physical analysis shall be done by the public analyst appointed by the buyer. In case Buyer's representative does not turn up at the time of drawing of samples, the sample so drawn by the public analyst in the presence of seller's representative would be final and binding on the buyer.

Final sample packets prepared by the analyst by crushing, etc. will be divided into 7 (seven) parts and sealed separately in the presence of the representatives mentioned above. Out of above, two sample packets will be handed over to the representative of NINL, one to seller's representative and one will be retained by the public analyst to conduct the analysis. In case recourse has to be taken for umpire analysis, the fifth set of sample packets (i.e the umpire's sample) preserved under the safe custody of the analyst concerned, will be used and the balance two set of sample packets will be handed over to the representative of MMTC.

Cost of such sampling / analysis by the public analyst will be to the seller's account. In the event of recourse, cost of such analysis will be borne as stated in the umpire analysis clause appearing hereunder.

Umpire Analysis :

Whenever buyer or seller demands for umpire analysis the duplicate sample packet with MMTC will be sent for cross-check purpose by MMTC's other empanelled analyst. If the result revealed is at a variance of 0.5% or more, such cases only shall be considered for umpire analysis. The sample intended for umpire analysis will be destroyed after three months from the date of declaration of the analysis results, unless instructions to the contrary are issued. The cost of the umpire analysis will be to the account of the party, whose analysis is more remote from the umpire analysis. If the result of the analysis are equi-distant from the original analysis the charges will be divided equally between the buyer and the seller.

CLAUSE 11 : Payment :

In case of supply of Lime Stone from outside Odisha State parties, NINL will be the Buyer and directly place purchase order to outside Odisha supplier(s) based on the lowest/competitive rates as arrived at by MMTC and after supply of goods, the supplier(s) shall issue commercial invoice directly to NINL(TIN No. 21731400956) under intimation to MMTC along with copies of R/R and Analysis Report. NINL shall settle the bills directly or shall authorise MMTC,Barbil to settle the bills on behalf of NINL.

In case of sales within the state of Odisha, MMTC will be the buyer and shall issue Purchase Order to the seller and Seller shall raise commercial invoice to MMTC Limited, (TIN No. 21471106607) Barbil, Dist Keonjhar, Odisha with following documents:- i) copy of original R/R ii) analysis certificate by third party analyst , iii) copy of "L" and "I" forms along with TP statement and copies of TPs.

(a) Provisional Payment : Buyer will release provisional payment to the extent of 90% value of the cargo through E-mode on receipt of analysis report (CaO content only reported by third party analyst) appointed by MMTC . On the basis of weight determined as per CLAUSE 9 of this NIT against Invoice supported by Railway Receipt / Transit Permit issued by the Dept. of Steel & Mines, Govt of Odisha/MP. Seller will submit a detailed statement of Transit Permits showing quantity shifted from mine-head to the Railway siding. Besides, supplier shall comply with all statutory norms relevant for obtaining mining permission, rake loading, etc.

(b) Final Payment : Buyer will release the final payment after adjustment of provisional payment to supplier on E-Mode on the basis of weight and complete analysis report determined as per CLAUSE No 10. For the purpose of E-payment the supplier will be required to furnish its Bank account details in writing to MMTC in the prescribed format.

CLAUSE 12 : CST :

CST at the applicable rate under CST Act 1956 and other Govt. levies, if applicable, shall be paid extra by the Buyer subject to production of documentary evidence.

CLAUSE 13 :Inspection :

Inspection/pre-stack analysis of cargo at Buyer's option will be done at mine-heads by Buyer's representative. This will, however, not absolve the Seller of its responsibility for supply of the material as per contractual specifications.

CLAUSE 14 : CONSIGNEE :

The seller shall consign the material in favour of M/s Neelachal Ispat Nigam Limited, Kalinga Nagar Industrial Complex, Duburi 755026 Dist. Jajpur , Odisha.
