IEPFA, NCAER, and BSE organise workshop

The Investor Education and Protection Fund Authority (IEPFA), in collaboration with the National Council of Applied Economic Research (NCAER) and the Bombay Stock Exchange (BSE) organised a workshop on "Digitalisation of Financial Education: A Modern Approach for Investor Protection and Capital Market Development". The workshop took place on November 11, 2024, at the BSE International Convention Hall in Mumbai.

Designed to explore the transformative role of digital technologies, the workshop focussed on enhancing financial literacy, protecting investors, and fostering sustainable growth in the capital markets. As the financial ecosystem continues to evolve, understanding the opportunities and risks associated with digital tools and platforms has become critical for ensuring the safety of investors while supporting the long-term development of India's capital markets.

BHEL successfully bids for NTPC thermal power plant

Bharat Heavy Electricals Limited (BHEL) has emerged as the successful bidder in a major contract of NTPC Ltd for the establishment of the main plant package of the 3x800 MW Telangana Stage-II supercritical thermal power plant. Under the contract, BHEL's scope of work includes design, engineering, manufacturing, supply, erection, commissioning, and civil construction. Presently, BHEL has received a limited notice to proceed (LNTP) from NTPC Ltd. for initiating the basic engineering work of the main plant package for this upcoming supercritical thermal power plant. This project further strengthens BHEL's enduring partnership with NTPC, where BHEL has contributed over 57 per cent of NTPC's thermal power installations nationwide.
